The Public is reminded that they should attempt to resolve problems and/or complaints through initial contact with the staff member or members involved therein and the Chief School Administrator prior to petitioning the Board of Education. Complaints should only be brought to the Board after the appropriate school staff have had a reasonable opportunity to resolve the problem at the employee level. Statements should be limited to topics to be addressed on the published agenda.

Public participation shall be governed by the following rules as per Regulation 9322:

- All persons wishing to participate in a public board meeting shall register their intent by signing in with the board secretary in advance of the meeting;

- Call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action; and
- Waive these rules when necessary for the protection of privacy or the efficient administration of the board’s business.

The portion of the meeting during which the participation of the public to speak on agenda items only shall be limited to 30 minutes which can be extended due to exceptional circumstances at the discretion of the presiding officer.
